Dear Friend of the YES Home:

Youth Encouragement Services (the YES Home) is holding its **Annual Golf Tournament at Sugar Ridge Golf Club** on June 5th, 2023. The YES Home is a trauma informed agency that encourages youth to achieve their highest potential, improve behaviors and make positive choices. We provide a family like atmosphere for youth to develop pro-social, independent living and employment skills. We promote connections with youth, their families, and community.

We hope to add more services this next year, including family groups and supports for youth leaving our program. Why support the YES Home? We know that the YES Home makes a difference. We are the only group home for teenagers in Southeastern Indiana. Our goal is to keep youth where they maintain their school and community connections. One of our youth who left this past year continues to stay in touch because “we are her family.” Another youth who left text to say she misses us. One young man called just the other day to say he is no longer the same angry kid and he is doing well—just bought his first home and is working hard. We remain in touch with our youth and continue to offer encouragement and support. We love our kids and know that we are making a lifetime commitment to be there for them.

Please review the enclosed and consider sponsoring our event. Your support of our event helps children who have no other place to go. To learn more about the YES Home and to sign up for our newsletter, please visit our website at www.yeshome.org or contact me at 812-926-0110 or amy@yeshome.org. Thank you again for your support.

Sincerely,
