

## WHO WE ARE

The YES Home is a residential group home for abused, neglected and abandoned children ages 14 through 20. We provide both long term and emergency care. The YES Home is currently raising funds for two projects: the renovation of the first floor so that we are able to serve more youth and the development of our aftercare program.

The dream of a recreational building became a reality in 2019 with the opening of the McLaughlin Activity Center. We received a grant from the Dearborn Community Foundation City of Lawrenceburg Community Grant and the golf outings and other donations made up the difference. You made the difference! Thank you!
